Overview of UAB Health System
Facts & Figures
Clinical Facilities on UAB Medical Center Campus

UAB Hospital
1,157 licensed beds and ranked among the nation’s top hospitals by *U.S. News & World Report*.

UAB Hospital-Highlands
Comprehensive bone and joint service and the region’s first model for coordinated care in geriatrics, the Acute Care for Elders unit.

UAB Women & Infants Center
World-class care for babies and mothers, including a Regional Neonatal Intensive Care Unit and a Continuing Care Nursery with 108 private rooms combined.
Hospitals and Clinics

UAB Callahan Eye Hospital
The only specialty hospital in Alabama focusing on eye care and the nation’s first Level 1 Ocular Trauma Center.

The Kirklin Clinic of UAB Hospital
Nearly 600,000 outpatient visits annually with more than 33 specialties under one roof.

The Kirklin Clinic at Acton Road and Community Primary Care Centers
Comprehensive services for cancer, cardiovascular, and other conditions on the southern bypass (I-459), plus neighborhood clinics in Gardendale, Hoover, Inverness, and Moody.

UAB Urgent Care
A convenient office in Midtown Birmingham offering medical care seven days a week without an appointment.
Medical West Hospital
Bessemer, AL

310 licensed beds provide primary and specialty care, a 21-bed emergency room, and a professional office building with surgical center. The 15-bed Medical West Freestanding Emergency Department opened May 2016.

The Baptist Health System
Montgomery, AL

Comprised of three hospitals with a combined 689 beds plus a behavioral health facility and an outpatient cancer center.

Valley Foundation
Huntsville, AL

Assisting UAB Health System in conducting educational, training, and research programs, especially as they relate to the UAB School of Medicine campus in Huntsville.
