

Knowledge that will change your world

Interventional Radiology – Patient Information

Outpatients

To schedule an outpatient procedure, please call our scheduling nurse, Cheryl Hollingsworth, at 205-934-0152.

Please fax any patient records, demographics, and imaging reports to Cheryl Hollingsworth at 205-975-2455.

If you would like to speak with an Interventional Radiology Faculty member to further discuss your patient's condition, please call 205-975-4850 during business hours.

Emergency procedures:

Please page the VIR Fellow On-Call at: 205-934-3411.

Inpatients

To schedule an inpatient procedure, please place an order through IMPACT.

If you would like to further discuss your patient's condition, please page the VIR Fellow On-Call at: 205-934-3411.

CT guided procedures

If there are any inpatient cases that need to be done in CT by IR staff, please call Lisa Traine, RN at 975-7700, or pager 7436. *This is for inpatients only.*
