Support for Forge comes from the Women's Breast Health Fund of the Community Foundation of Greater Birmingham and its collaborating partners as part of an effort to improve the quality of life for breast cancer survivors and their loved ones.

FORGE AHEAD

FORGE BREAST CANCER SURVIVOR CENTER

By 2025, there will be nearly 4 million breast cancer survivors in the United States. As a result of their diagnosis and treatment, survivors can face challenges. Forge Breast Cancer Survivor Center can help!

SURVIVORS & CO-SURVIVORS

Who is a breast cancer survivor?

A breast cancer survivor is any man or woman that has been diagnosed with breast cancer.

Who is a co-survivor?

A co-survivor is anyone who walks alongside a survivor on their journey. A co-survivor can be an adult or child, caregiver, family member, or friend.

Forge is here for breast cancer survivors and co-survivors from diagnosis through balance of life.

FORGE TOGETHER

WHY FORGE?

Forge recognizes that:

- Setting goals can improve a survivor's journey
- Survivors feel more comfortable going to other survivors for information.
