

NOW HIRING. Advanced Practice Providers

UAB MEDICINE

Whatever drives you – the adrenaline rush of trauma, the celebration of a last infusion treatment, or the longstanding relationships developed in family medicine – UAB Medicine offers advanced practice providers (APPs) the opportunity to challenge their skills across the entire continuum of care. We have over 550 inpatient and ambulatory APPs, who work alongside world-renowned physicians and a host of dedicated care team members to deliver on our mission of providing compassionate, high-quality care.

- ▶ A nationally ranked, full-service **CARDIOVASCULAR CENTER**
- ▶ NCI-designated **COMPREHENSIVE CANCER CENTER**
- ▶ **LEVEL I TRAUMA CENTER** equipped to handle any emergency
- ▶ **LEVEL IV REGIONAL NICU** is the only one of its kind in Alabama
- ▶ A **COMPREHENSIVE TRANSPLANT CENTER** that is a national leader in the field
- ▶ **MAGNET-DESIGNATED FACILITY** since 2002

COLLABORATION

Collaborative practice at UAB Medicine is more than a set of terms and guidelines; it reflects a true partnership between APPs and physicians, patients, and a multidisciplinary care team. You're empowered to lead and put patients first. Your creativity, innovation, and know-how are seen as essential contributions to helping deliver best-in-class health care. You'll also participate in research and develop best practices to drive innovations and improvements both at UAB Medicine and in the APP community.

SUPPORT

OFFICE OF THE DIRECTOR FOR ADVANCED PRACTICE PROVIDERS Our organizational structure includes a dedicated leader to advocate for APPs, help grow service lines and individual practices, provide oversight and supervision of scope of practice, and support recruitment, quality, credentialing, and privileging.

ADVANCED PRACTICE PROVIDER EXECUTIVE COUNCIL We recognize the value that APPs provide and have a formal structure in place to advocate for and support you. We also come together to discuss issues, identify goals, and work toward positive change using our combined knowledge and experience, drawing upon the newest evidence-based research.

BENEFITS | Patients at UAB Medicine require the best care from our staff.
We give you the support you need to provide that care.

CONTINUING EDUCATION UAB Medicine is a large academic medical center. You'll have opportunities for new experiences ranging from family medicine to acute care, CEUs for a wide variety of topics, and reimbursement for specialty certifications and advanced degrees.

COMPREHENSIVE BENEFITS PACKAGE We offer excellent health, dental, and vision plans. Some employees are eligible for a voluntary 403(b) retirement plan, with contributions matched by UAB.

TUITION ASSISTANCE AND LOAN FORGIVENESS UAB Medicine employees receive 100% tuition assistance at UAB through UAB's Educational Assistance Program. We are also an eligible employer under the Public Service Loan Forgiveness Program for qualifying loans.

WELLNESS PROGRAM You provide the best care when your mind and body are at their best. Walk the UAB Medicine Walking Trails on your break, workout at the UAB Campus Recreation Center, and buy fresh produce throughout the year at the on-site Farm Stand.
